

Community Impact Bucks' COVID-19 Briefing #2 #EveryDayCounts

Short regular briefing from Community Impact Bucks

25th March 2020

Dear Sir/Madam,

As you will know, COVID-19 has had a huge impact on not only the most vulnerable people in our communities but also on the charities and community groups which are delivering essential care and support.

We, in the voluntary sector, are having to adapt quickly – often with limited resources – to try to deliver services at a time when it is arguably needed more than ever. However this cannot do done if our organisations are struggling financially due to lose of streams of income.

To help secure **urgent financial support for charities**, the National Council for Volunteering Organisations ([NCVO](#)) has launched the #EveryDayCounts campaign. Over 100 MPs have signed a letter to the Chancellor asking for clarity and meaningful financial support for charities and voluntary organisations but we have a part to play too.

Call to action: #EveryDayCounts

Voluntary organisations across the country are all being encouraged to:

- Share your story on social media using **#EveryDayCounts**
Tell everyone what you are doing to support the COVID-19 efforts, the difference you make, the struggles you are facing
- Email NCVO at tell@ncvo.org.uk with details of your financial situation
- Ask your local MP for support

You could also ask those who see how important your work is to show their appreciation on social media using **#EveryDayCounts**.

Tag Community Impact Bucks in your posts (see @ in icons below) and we will share your news and any calls for volunteers.
