

Community Impact Bucks' Breakfast Briefing: COVID-19 #1

24th March 2020

Dear Sir/Madam,

We will be sending a daily briefing to our members with up-to-date COVID-19 information specifically relevant for the voluntary sector in Buckinghamshire.

COVID-19: one-stop resource page for charities and voluntary groups

Have a look at our dedicated web page, [COVID-19: guidance and advice](#), where you will find the latest advice and information to support the county's charities, community groups and our volunteers as we all respond to COVID-19.

We will be updating this page regularly with up-to-date guidance, knowledge and ideas as the situation develops.

COVID-19 survey

If you run a charity or voluntary group, we want to hear about the support you need to be able to continue your great work. We will be collating the information and will work out how we, our local partners and national sector bodies can help you.

We've kept the survey short (5 minutes) and focused on what support can be provided locally. Many thanks to those who have already got back to us; there is still time to complete the survey - just click the button below.
