

Community Impact Bucks' COVID-19 Briefing #4

Coronavirus scams

Short regular briefing from Community Impact Bucks

27th March 2020

Dear Sir/Madam,

There has been a huge increase in COVID-19-related fraud reports with an increase of 400% in March recorded by [Action Fraud](#).

ACTION AGAINST SCAMS

A number of COVID-19 related phishing emails have been reported to Action Fraud, trying to trick people into opening attachments which could lead to personal information, logins, passwords or banking details to be stolen.

Please spread the word amongst your communities to help stop anyone becoming a victim of this crime. A useful poster from [Friends Against Scams](#) can be downloaded [here](#).
