

## Community Impact Bucks' COVID-19 Briefing #17 Campaigning & #FundAlert

*Short regular briefing from Community Impact Bucks*

17th April 2020

Dear Sir/Madam,

We are still waiting to hear the full details of the £750m package of financial support for charities and voluntary groups, which was announced on 8th April. However, ACEVO's CEO, Vicky Browning, has shared some further information: read her [Q & A on the package](#).

While the £750m package is welcome, we know more help is needed. Please do continue to take part in the #EveryDayCounts campaign to continue to push for further help.

You can do this by sharing your story on social media using #EveryDayCounts, telling everyone what you are doing to support the COVID-19 efforts, the difference you make, and how it is affecting your charity or voluntary group.

If you are doing any crisis appeals or clever lockdown fundraising ideas, please tag Community Impact Bucks in your social media posts so we can share and support your activities (see @ in icons below).
