

Community Buildings Subscription Service

Help for community buildings and village halls in Buckinghamshire and Milton Keynes

Community buildings and village halls are often at the heart of rural communities, providing vital spaces for local residents as well as the surrounding area.

As the Rural Community Council for Buckinghamshire and member of Action with Communities in Rural England (ACRE), Community Impact Bucks understands the challenges that community building management committees face and are here to help.

Through our Community Buildings Subscription Service, we provide light touch information tailored to community buildings and village halls in Buckinghamshire and Milton Keynes. The paid subscription provides access to a wealth of resources and support including:

- **E-bulletins** about key issues and funding opportunities
- **Instant notifications** on community building events and essential information
- **Village Hall Management Healthcheck** – a checklist highlighting legal requirements and good practice
- **Networking opportunities** such as quarterly Zoom Meetings
- **Free access** to 42 National Village Hall information sheets (normally £10 each)
- **Access to exclusive Facebook group** for ideas sharing
- Receive **personalised guidance** from our Community Buildings Advisor
- **Advice on more complex issues** from our specialist volunteer advisor
